Start: 10/24/2017 5:00:00 PM
End: 10/24/2017 5:30:00 PM
Show Time As: Tentative

Hi Deb, Charles, Bob, Karl, and Jim

Great to hear for you Deb just now that EPA can reconfigure the datarams you have onsite for PM2.5, and you will have four able to read PM2.5 soon in addition to the county consultant's data.

Let's gather by phone to talk on the public health side about the air data available so far and what else you all might need on scene.

Thank you. Lora
